

PETER WEBB,

Plaintiff.

JUN 26 2017

V.

Houston Police Department.

David J. Bradley, Clerk of Court

on or about 8-23-2016 I (Peter Webb) did call the Houston Police department claiming of my Federal MailBox being left open by a AIDS Foundation of Houston Employee at my then residence of 312 West Alabama St Houston Texas 77006. A MS. PI Garza of The Houston Police Department came to take a report of my report after I called The Houston Police Department of the crime of tampering of my MailBox. A Police report was filed on my behalf but no action was taken by The Houston Police Department UP TO This date of June 22, 2017.

I (PETER WEBB) did fill out a Affidavit form with The Houston internal Affairs department but for some unknown reason The Houston internal Affairs department fail to investigate my claim after a MS. Garza who I found out ^{do not} work within The department of internal Affairs Division who she (MS. Garza) took my Affidavit claiming she would investigate. since my claim against Houston Police department of their fail attempt to investigate I have been Harass and Pos in by Houston Police officer at The Astorina motel off I-45 and they had a Mr. Pollard Probertson, a MS. Lisa Probertson, and a Sharonda Probertson and a Barbara Probertson enter my motel room #384 in the month of April 2017 which they put some kind of substance in my coffee cream, causing ^{me} to have to be placed in The Harris Health Medical at Ben-Tubur Hospital. While I was within The Ben-Tubur Hospital I (PETER WEBB) did call The Houston Police department to report of me being Pos in by The people above and a Houston Police officer of 10 years as well as

Harris Health Medical at Bert-Turn Police did come and
 Took a report of my claim but as of this date of
 June 22, 2017 they also fail to look into the matter.
 While I was being ~~was~~ treated at Harris Health of the
 Posining on the 5th floor in Room 2 Bed 2 my nurse
 then was nurse Ms. Green who was the head nurse, and my
 Room nurse Ms. Cathy, and my LVN nurse Ms. Xing is a
 witness on my behalf of my stay at the hospital of
 my complaint to Houston Police officer name Goplan
 who took my report but he refuse to investigate of
 the Posining. I also called Lufkin Texas Police the
 same night to have Ms. Lisa Probertson and Ms. Barbara
 Probertson arrested for their part in Posining me with the
 other Probertson Family which Houston Police had them released.
 All this took place basis on the fact that I (Peter Webb)
 did design my own Tennis shoe design with inventHELP of
 Houston Texas and due to my business of inventHELP of my
 Tennis shoe design is why they have Posin me with the
 intent to stop me as a black man who now have and worth
 a lot of money. I am also within the Harris county
 Jail on a charge of change of address by my Parole officer
 a Ms. Annette Winfrey of Houston & Parole Office who also took
 part in this act of jealousy against me and since I been in this
 Harris county Jail I (Peter Webb) has been Posin up to
 2 times which I only lost more weight due to the Posining.
 I am in fear of my Health and Life at this time being in
 here around the inmates who HPD have and is using Harris

county jailers to give inmates cell phones and some kind of substance they have and is placing in the hot water pots of their own and I've been losing more weight due to the substance. I can also hear the cell phones go off/ring next door to my cell in 6m cell 4W and down the hall from me. This is a serious matter and against Federal and state laws. This is a imminent danger of serious physical injury at this time.
